THE VENUE

A heritage building, restored for weddings.

A 1920s-era building restored in 2019 — marble ballrooms, courtyard chaupal, rooftop mandap with Nagpur skyline views. We own the building, the kitchen, and the 42 guest rooms. That means no middlemen and no 'starting from' pricing — a wedding here is exactly what the quote says.

Priya & Arjun Mehta

★★★★★ • Married Dec 14, 2025 • 420 guests

We spoke to twelve venues. These folks gave us an itemized quote the same day — no 'will get back to you'. Day-of, the hall was exactly as the mockup. Our wedding cost ₹11,000 less than estimated.

Ananya Iyer & Rohan Bhat

★★★★★ • Married Nov 22, 2025 • 280 guests

The chef sat with my mother for two hours to finalise the Saraswat menu. That kind of care doesn't exist at most places. Rooftop sangeet under Nagpur sky — unforgettable.
